

Second Baptist Church Ministry Opportunities, Activities and Events ~ SEPTEMBER 2024

Pastor's Thoughts...

The Significance of the number 109

109 is the name of a department store in Shibuya, Tokyo, Japan. 109 is a bus route in Boston, Massachusetts. 109 is the identifier of a main-belt asteroid. 109 was the number of the famous WWII PT boat on which, then Lieutenant, John F. Kennedy served. But as fascinating as those facts are, they do not compare with the significance of the number 109 for Second Baptist Church!

As we prepare to celebrate the 109th Homecoming Anniversary of Second Baptist, let's be reminded that the Lord Himself has placed this church here, and that He has placed each one in the church over the past 109 years, that we all might use the gifts He has given and that we all would be faithful in our service to Him.

There is still so much ministry to be done here in our community. We may look at the size and score of that ministry and all that will be required of us to fulfill the task and think to ourselves, "It's just not possible!". But Jesus said, "with God all things are possible" (Matthew 19:26). God never commands us to be successful, but He does command us to be faithful! If we will just take one step of faith at a time, He will do the rest!

I hope you are willing to take those steps of faith, and I hope you are looking forward to faithfully serving the Lord in Second Baptist for many more years as He builds His church!

Your brother in Christ!
Pastor Dennis
